

RESEARCH REVIEW FORM

Instructions: Submit **FOUR** copies.

1. Title of research project:
2. Purpose of the project (thesis, dissertation, grant):
3. Hypotheses of study:
3. University/agency with which applicant is affiliated:
4. Anticipated starting date:
5. Anticipated completion date:
6. Describe the anticipated contribution to theory or field:
7. Describe the anticipated contribution to the Brevard Public School System:

8. List the primary questions to be addressed by this project:

1. _____
2. _____
3. _____
4. _____

* Attach an additional page if necessary

9. Provide a brief summary of the research design including statistical analysis procedures:

10. List the instruments to be utilized. (Attach descriptions or copies of test instruments).

11. List the sources of data that are dependent on school/district records. Be specific (e.g., academic grades, attendance).

12. Indicate the number of participants and/or subjects in the research.
Use the total column if the grade designation is not applicable.

	Grade Level	Subjects
