

DELAWARE CITY SCHOOLS

REQUEST FOR EXEMPTION FROM FURTHER IMMUNIZATIONS

The State of Ohio requires all children to receive minimum immunizations upon enrollment in school. If you wish to exempt your child from further immunization due to medical, religious, or "good cause" reasons, please sign this form and return it to the school as soon as possible.

If an outbreak of communicable disease for which your child is not immunized should occur in the school, your child may be excluded from school until two (2) weeks after the last reported case of communicable disease.

I, the parent/guardian of _____ desire to exempt my child from further immunization. I understand that should an outbreak of disease for which my child is not immunized occurs, that my child may be excluded from school for two (2) weeks after the last reported case of disease.
