

PARENT AGREEMENT TO NONHOME-SCHOOL ENROLLMENT

We have been properly informed that our child is to be enrolled in the nonhome-school we have selected and agree to the following conditions:

- A. Our child's application may be revoked or s/he may need to be transferred back to his/her home school at the end of the semester or the school year, if the maximum number of enrollments in the classroom or program s/he is attending become filled by home-school students.
- B. If our child should require special education services or a reasonable accommodation for a Section 504 disability, s/he will be transferred to the school that currently provides such services or can make the accommodation, if the school s/he is attending is not providing the services or cannot make the reasonable accommodation.
- C. We shall provide the transportation for our child either to the nonhome-school s/he will be attending or to a school bus stop within that school's attendance area.
- D. We understand that this enrollment is only for the current school year and an application must be submitted each year.
