- A. It is understood that _____ (student) has been **expelled** **suspended** for up to _____ (time period) for violating _____ (rule) of _____ (name) School's Student Code of Conduct by _____ (infraction) on _____ (date).
- B. However, by agreement of the parties it is understood that the _____ (time period) **expulsion** **suspension** will be held in abeyance (that is, it will not be implemented) contingent upon the following terms:
1. _____ (student) attends school daily, missing only for personal illness or personal business that cannot be conducted outside school hours, and on any day when _____ (student) must be absent for all or even part of the day, _____ (parent(s)) will call the school by 9:00 a.m. so that the reason for his/her absence is known;
 2. _____ (student) conforms his/her behavior to meet the _____ (name of school) School's Student Code of Conduct and is not involved in any additional acts that require disciplinary action (i.e., result in an out-of-school suspension or expulsion for violating any rules in _____ (name of school) School's Student Code of Conduct) during the time his/her **expulsion** **suspension** is held in abeyance; and
 3. _____ (student) gives his/her best effort in all of his/her subjects every day.
- C. It is understood that, as long as Mr. and Mrs. _____ comply with the conditions in B(1) above, and _____ (student) complies with the conditions in B(1), B(2), and B(3) above, then _____ (student) may return to school beginning _____ (date), and _____'s (student) **expulsion** **suspension** will be held in abeyance for a period of up to _____ (time period) beginning _____ (date) and continuing through _____ (date).
- D. It is understood by the undersigned that there exists a right to appeal the **expulsion** **suspension** ordered by the Superintendent (or principal). That right exists both in law and under Board policy. By executing this agreement the undersigned acknowledges that they voluntarily and without any undue influence agree to waive their right to appeal the **expulsion** **suspension**, which include any periods reinstated by the Superintendent for the aforementioned violation during the period in which the original **expulsion** **suspension** is held in abeyance.

E. By signing this agreement the undersigned express their desire to have the terms of the agreement immediately implemented and hereby attest that they shall do all things required of them to implement the terms of this agreement. ***This is with full understanding that failure to follow through on any of the conditions contained in this agreement will result in the immediate implementation of the [] expulsion [] suspension, upon written notice of the Superintendent, without further appeal.*** In such a circumstance, while the [] expulsion [] suspension will not extend beyond its original expiration date (i.e., _____ (date)), it is understood and agreed that any new acts or occurrences could result in an additional exclusion from school (suspension and/or expulsion) beyond the end of the original [] expulsion [] suspension, depending upon the timing and/or nature of the offense. If the new act or occurrence results in an exclusion from school beyond the end of the original [] expulsion [] suspension, _____ (student) would have any and all rights of review and/or appeal available under the _____ (name of school) School's Code of Conduct and law to respond to such charges and/or exclusions extending beyond the original [] expulsion [] suspension.

[] It is further understood by the undersigned that the [] expulsion [] suspension will immediately be implemented if _____ (student) withdraws from the School District and enrolls in any other public or private school between the period of _____ (date) and _____ (date).
