This is to certify that I have received instruction and/or training on the respirator I will be using and that I understand the following:

**Employee  
Initial**

- [ ] the reason for the need of respiratory protection
- [ ] the nature, extent, and effects of respiratory hazards to which I may be exposed while performing my job
- [ ] the explanation of why engineering controls are not being applied or are not adequate and what efforts are being made, if possible, to reduce or eliminate the need for respirators
- [ ] the reason why a particular type of respirator has been selected for a particular respiratory hazard, i.e. the correct respirator to use in different circumstances
- [ ] the explanation for the operation, capabilities, and limitations of the respirator selected
- [ ] the instructions given for selecting, inspecting, putting on, checking the fit of, wearing, and taking off the respirator
- [ ] the instructions for selecting, cleaning, storing, and maintaining the respirator
- [ ] the use, handling, adjustment, and wearing of the respirator including how to put it on, wear it properly, and check its seals

- [ ] the instructions given for recognizing and coping with emergency situations, including emergency procedures such as the "additional man" and "standby man" rules
- [ ] the instructions given for signs of damage and/or indications of malfunction of the respirator
