We recognize the value of audio-visual and other types of electronic communication in providing our child with an effective education and hereby grant permission for our child and/or his/her schoolwork to be photographed or audio- or video- recorded as part of an educational program produced by the District or coalition of districts.

We further grant permission for the photographs or audio- or video- recordings to be used in media presentations that are made available to other educational institutions or through a cable television station or network. We understand that our child's image, name, work product, school, and grade may be revealed in the presentation(s) but that no other information about our child or his/her schoolwork will be revealed without our prior consent.
